Regimen Reference Order – LYMP – alemtuzumab (SUBCUTANEOUS)

ARIA: LYMP - [alemtuzumab (SUBCUT) - MF]

| Planned Course: | Three times per week for 13 weeks |
|---------------------|-----------------------------------|
| Indication for Use: | Mycosis fungoides |

CVAD: At Provider's Discretion

Proceed with treatment if:

ANC equal to or greater than 0.25 x $10^{9}/L$ AND Platelets equal to or greater than 25 x $10^{9}/L$

Contact Physician if parameters not met

SEQUENCE OF MEDICATION ADMINISTRATION

| Pre-treatment Requirements | | | | |
|----------------------------|--------|---|--|--|
| Drug | Dose | CCMB Administration Guideline | | |
| allopurinol* | 300 mg | Orally once daily for 10 days to begin 3 days prior to Dose 1 and at provider's discretion for subsequent doses | | |
| | | (Self-administered at home) | | |
| | | *Only patients at risk of tumor lysis syndrome will be prescribed allopurinol | | |

| Treatment Regimen – LYMP – alemtuzumab (SUBCUT) | | | | | | |
|--|---|--|--|--|--|--|
| Establish primary solution 500 mL of: normal saline | | | | | | |
| Drug | Dose | CCMB Administration Guideline | | | | |
| Week 1 – Three doses p | Week 1 – Three doses per week (usually given on three consecutive days) | | | | | |
| Dose 1 | | | | | | |
| cetirizine | 10 mg | Orally 30 minutes prior to alemtuzumab | | | | |
| acetaminophen | 975 mg | Orally 30 minutes prior to alemtuzumab | | | | |
| dexamethasone | 12 mg | IV in normal saline 50 mL over 15 minutes | | | | |
| Wait 30 minutes after completion of IV pre-medications before starting alemtuzumab | | | | | | |
| alemtuzumab | 3 mg | Subcutaneous into abdomen *Nursing Alert: Ice pack should be placed on abdomen for 15 minutes pre- and 15 minutes post-injection | | | | |
| meperidine | 25 to 50 mg | IV push over 5 minutes if needed for the treatment of rigors | | | | |
| Dose 2 | | | | | | |
| cetirizine | 10 mg | Orally 30 minutes prior to alemtuzumab | | | | |
| acetaminophen | 975 mg | Orally 30 minutes prior to alemtuzumab | | | | |

| | 12 mg | IV in normal saline 50 mL over 15 minutes |
|---|---|--|

In the event of an infusion-related hypersensitivity reaction, refer to the 'Hypersensitivity Reaction Standing Order'

REQUIRED MONITORING

Baseline

Hepatitis B serology

Weekly (Monday of each week)

CBC, serum creatinine, urea, liver enzymes, electrolytes and CMV via PCR as per Physician Orders

alemtuzumab monitoring

- Full vital signs (temperature, heart rate, respiratory rate, blood pressure and O₂ saturation) prior to each dose and • as clinically indicated
- Weeks 1 and 2: Observe patient for 1 hour after administration. Full vital signs prior to discharge
- Weeks 3 to 13: No observation period required. Patient can be discharged from treatment room if stable whether they had a reaction or not

| Recommended Support Medications | | | | |
|---------------------------------|-------------|--|--|--|
| Drug | Dose | CCMB Administration Guideline | | |
| valACYclovir | 500 mg | Orally once daily | | |
| sulfamethoxazole-trimethoprim | 800 /160 mg | Orally twice daily on Saturdays and Sundays only | | |
| metoclopramide | 10 – 20 mg | Orally every 4 hours as needed for nausea and vomiting | | |

DISCHARGE INSTRUCTIONS

- Patient should be instructed to contact their cancer team immediately if symptoms of hypersensitivity reactions • occur after discharge
- Instruct patient to continue taking anti-emetic(s) and support medications at home

ADDITIONAL INFORMATION

- Administering nurse must document any infusion-related reactions with any dose of alemtuzumab
- Patients on alemtuzumab should receive irradiated blood products
- valACYclovir (shingles prophylaxis) and sulfamethoxazole-trimethoprim (Pneumocytis jirovecii pneumonia prophylaxis) continue while on treatment and for 6 months after discontinuation of treatment due to risk of prolonged immunosuppression
- On Week 1, treatment can be started on any day of the week. Maximum alemtuzumab dose is 90 mg over a 7-day period
- Administration site restrictions are in place for alemtuzumab. alemtuzumab must be administered at CCMB MacCharles or Tache in Winnipeg
